

BLENDDED COURSE LOG-IN INSTRUCTIONS

Welcome to your blended course.

This course requires you to complete an online self-study component and then attend the in-class portion. To help you get set up with the online course please take advantage of the instructions below.

NOTE: the in-class portion *must* be completed within 30 days of being given access to the online component... *not* within 30 days of starting the online component.

1. Check your inbox for the following email. If it is not in your inbox check your spam/junk folder. If you still cannot find it please contact our office for further assistance.

Canadian Red Cross . Action Required: Register for your new Red Cross account / Action requise : Inscription à votre nouveau compt...

2. Click the link contained in the email.

[Please click here to create a new My Red Cross account to access your course information and online course component](#)

3. If you've already created an account for any online Red Cross course (first aid or otherwise) sign-in using those credentials. If this is your first time accessing the online portal create your account.

Sign up or sign in using either your email or social account. If you've already signed up for an account, please use the same method to sign in or you will create a second profile that does not have your details or certifications.

4. Once you've created your account or signed into your existing one, you will now be in the Red Cross Portal. You should see your course information as shown below, such as the course number, the course you are taking, the training provider, and the date that the in-class portion is taking place.

Below you will find information about the course(s) that you are registered for, including dates and locations. Clicking on the progress on that course.

Looking for how to access **your online training**? Click on *My Profile*, then *My Online Courses*.

Looking for your **certifications**? You can find them either by opening the course details, or you can find a full list of all your *Certifications*.

Please note that it may take a few days following the completion of your course for your certification to become available.

My Courses ▾

Course Number	Course Type	Training Partner	Facility	Start Date	Schedule Description
1448370	Standard First Aid Blended	In A Heartbeat First Aid Training	Milton Default	2020-02-29	

5. To access the online portion of your course, click on "My Profile" on the right side of the main heading bar, then click on "My Online Courses". This may open a new tab with the URL "lms.redcross.ca/student/default.php". This webpage is called the Learning Management System (LMS).

Search

MY PROFILE | ?

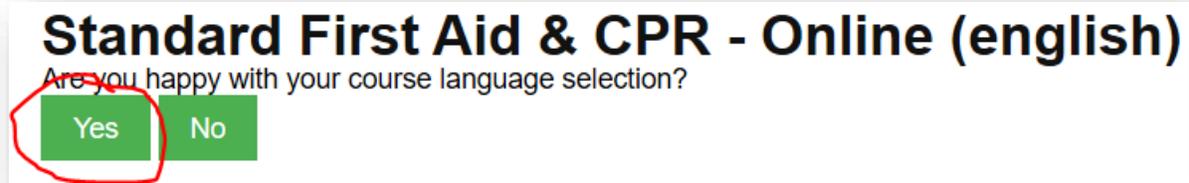

- My Profile
- My Courses
- My Courses Forums
- My Certifications
- My Online Courses

6. You should now see the course as shown below. Click on the blue "activate" button.

Course Language Selection

enrolled	course	options
3 Feb 2020	Standard First Aid & CPR - Online (english)	activate

7. Click on “yes”.

8. The blue “activate” button should now be a green “enter course” button. You are now ready to access the course. It can be accessed as many times as you wish and it will always save your progress.

My Online Course Menu			
enrolled	course	status	options
3 Feb 2020	Standard First Aid & CPR - Online (english)	not started	<input type="button" value="enter course"/>

That’s it! You’re all set. Remember that proof of the online course completion must be provided before being allowed entry into the in-class portion.
